CERULEAN VILLA
ANGUILLA

FIRST YEAR CERULEAN GUESTS HAVE 100% RETURN RATE!

Every guest who has enjoyed a stay at the newly renovated Cerulean Villa has booked again for next year or sooner! What's the secret to this outstanding achievement?

It's attention to every detail of our guests' experience, from the fold of a napkin to a full-service candlelit dinner on the beach. It's the artisan-crafted murals and richly appointed bedroom suites overlooking breathtaking Barnes Bay. It's a highly trained staff of 18 who anticipate each client's wishes. It's the powdery white beach and sea — just steps from the pool deck — which offers relaxation and exciting watersports of all kinds including sailing, snorkeling, waterskiing and paddle boarding. Quite simply, it's a way of life at Cerulean Villa — enjoying the amenities and activities of a 5-star resort. Only they're yours, exclusively.

Most importantly the whole experience is covered with one simple, pre-established price. No surprises or bill on departure. It's no small accomplishment to meet the expectations of the most discerning clients in the world, however, as every previous guest has planned to vacation with us again, we know we're getting it right.

**Secure your booking now for the ultimate Cerulean Villa experience!
Custom rates are available based on the number of guests.**

**"Cerulean Villa is HEAVEN — the nicest place I've ever stayed in the Caribbean!
Really amazing — beautiful place, wonderful service, good food. Perfection."
